Introducing...

Phoenix Tine Technology

A thermo-chemical technology that will change the turf industry.

- > No more broken tips > No more chipped tips
> No more searching for lost tips > No more side-wear above a tip

Best tines I've ever used! They pull perfect plugs and last longer than anything I've ever seen. I've got approximately 225,000 sq. ft. out of one set!

Joe Starr, Chatata Valley, Cleveland, TN

Phoenix coring tines gave the cleanest hole at every depth - the best aerification tine I've ever used.

Bob Vaughey, TPC Valencia, Valencia, CA

See the difference for yourself!
